unintended
pregnancy
and abortion

unintended pregnancy is not simple or easy

"A baby would dramatically change my life."

"I am not ready for a child."

"I can't afford a child."

"I don't want to be a single mom."

"I have enough children already."

*which circumstances
concern you most?*

unintended pregnancy is not simple or easy

"I was raped."

"My father is the father of my child."

(Unanticipated
pregnancy
complications
are not
simple or
easy either.)

*"There's a problem
with my health."*

*"There's a
problem with
the health
of the
fetus."*

*which circumstances
concern you most?*

are we human beings with equal rights?

sperm enters ovum

fertilization (unique & complete human genome)

4 week embryo
(heartbeat at 3 weeks)

7 week embryo
(brainwaves at 6 weeks)

35 week fetus

newborn

adolescent

young adult

am I a human being with equal rights?

2 cell conceptus
(24 hours)

implantation (6 days)

12 week fetus

18 week fetus

toddler

young child

elderly adult
