

*Train Thousands to Win Millions
One Person at a time*

Justice For All (JFA) trains thousands to make abortion unthinkable for millions, one person, one conversation at a time.

JFA accomplishes this mission by recruiting Christian volunteers through a network of partnerships with Christian high schools, colleges, churches and organizations. JFA's leadership formation, which often begins with a chapel presentation in a private school, promises to develop future leaders into pro-active, pro-life advocates, all in the spirit of [I Peter 3.15](#).

Jesus challenges and invites followers to fish for people (Mark 1.17). JFA's formal training begins with an interactive "fishing" seminar (click here to see an intro to JFA's "[Abortion: From Debate to Dialogue](#)"). This interactive seminar equips volunteers for participation in a JFA Exhibit outreach event at a nearby public university.

JFA Exhibits not only present the truth about abortion to thousands of students on each public university campus, **more importantly** they present JFA-trained volunteers with an opportunity to respectfully test their Christian pro-life worldview in real time with real people **who really disagree!** [JFA Exhibits give trained volunteers an opportunity to "go fishing!"](#)

The experience of successfully engaging one's peers in a gracious and respectful dialogue about something as contentious as abortion has the power to transform Christian volunteers into

Christian ambassadors ([2 Corinthians 5.20](#)), not just during a JFA Exhibit outreach, **but for a lifetime!**

A lifetime of advocacy for at-risk unborn children and their families is further guaranteed through JFA's advanced leadership training camp. JFA's annual May Missions boot camp equips seasoned JFA volunteers with the skills required to recruit additional volunteers and conduct JFA resourced training/outreach events within their own communities.

The consistent multiplication and transformation of Christian volunteers into advocates for life will not only change hearts and save lives; it will ultimately make abortion unthinkable for a nation founded upon Justice For All.
